today
i saw your best friend
and i asked her
how you've been
then she started talking
about your newfound man
she said
you had
the brightest glow
that she had ever seen
oh i guess
he's not the man
i used to be
she said
he brings you roses
and he calls you just to say
hey honey how you doing
you're the best part
of my day
that's when
i knew
the reason
just why
you set me free
oh i guess
he's not the man
i used to be
he don't
stay out all night long
the way i
used to do
and he wakes up
every morning
next to you
what you needed
was the kind of man
who'll love you faithfully
oh i guess
that's not the
man i used to be
what you needed
was the kind of man

who'll love you faithfully
and i guess
that's not the man i used to be
well now i know
that's not
the man
i used to be
