Somewhere there should be  
For all the world to see  
A statue of a fool made of stone  
The image of a man  
Who let love slip through his hands  
And then just let him stand there all alone  
And there on his face  
A gold tear should be placed  
To honour a million tears he's cried  
And the hurt in his eyes would show  
So everyone will know  
That concealed is a broken heart inside  
So build me a statue  
And Lord build it high  
So that all can see  
Then inscribe oh the worlds biggest fool  
And name it after me  
After me
