Return to me, do not fade.
To memory, black and white
Like a photograph, curled around the edges.
Are you coming back?
Could never be too soon.

Return to me, do not fade.
To memory, black and white
Let's make some new mistakes.
I'll wait patiently, to pass the time.
Give it one more try.
Cause I, keep, your heart, here in mine.

Return to me, do not fade.
To memory, black and white
Come back home to me.
Each morning as I rise,
How could you leave?
I'm stumbling through my life.
And I hang, this prayer, on my lips, and wear it in my
eyes.

Return to me.
