Chorus:

And when your body's had enough of me
And I'm laying flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more

Come on over here and lay by my side
I've got to be touching you
Let me rub your tired shoulders
The way I used to do

Look into my eyes
And give me that smile
The one that always turns me on
And let me take your hair down
'Cause we're staying up to greet the sun.

Repeat Chorus

Got to say a few things
That have been on my mind
You know where my mind has been
I guess I've learned my lessons
And now's the time to begin

So if you're feelin' alright
And you're ready for me
I know that I'm ready for you
We better get it on now
Cause we got our whole life to live through

Repeat Chorus
