## "A Night To Remember"

Visit "[A Night To Remember](#)" on MotoLyrics.com

*[Chorus]*

Get ready, tonight  
Gonna make this a night to remember  
Get ready, oh baby, tonight  
Gonna make this a night to remember

When you love someone it's natural, not demanding  
And that's one thing I'm proud to say I've found in you  
I'm so glad we reached an understanding  
Now I know my heart is safe with you  
So now my love to you baby I surrender

*[Chorus]*

Get ready, tonight  
Gonna make this a night to remember  
Get ready, oh baby, tonight  
Gonna make this a night to remember

Celebrations in the heart cos we're united  
And there's nothing in the world could come between  
me and you  
We're together and it keeps me so excited  
To think of what the power of love can do  
And I'm filled with a love that's oh so tender, yeah

*[Chorus]*

Get ready, tonight  
Gonna make this a night to remember  
Get ready, oh baby, tonight  
Gonna make this a night to remember

Yeah, get ready, get ready, cos we're gonna have  
some fun  
Get ready, get ready, cos you're with the 911  
Gonna take this, break this, then we're gonna make  
this

A night to remember  
Cos baby I surrender  
Celebration, toast the occasion  
Talking about love and true dedication  
The hand of love that's oh so tender

Is gonna give you a night to remember

Let's amke a toast to those who've helped make this  
occasion

They turn their back on love and that's what drove you  
straight to me

To you I make a lasting dedication

I'll show you all the love and life can be

And each day that I live, I will deliver yeah

*[Chorus]*

Get ready, tonight

Gonna make this a night to remember

Get ready, oh baby, tonight

Gonna make this a night to remember

So now my love to you baby I surrender

*[Chorus]*

Get ready, tonight

Gonna make this a night to remember

Get ready, oh baby, tonight

Gonna make this a night to remember

*[Chorus]*

Get ready, tonight (This night you won't forget)

Gonna make this a night to remember

Get ready, tonight (Your love I won't regret)

Gonna make this a night to remember
