You got my body shaking  
Sends a shiver to my soul  
I didn't get no warning  
You got me shaking to the bone

I got my secret weapon  
I'm gonna get you all alone  
Yeah, yeah  
So let your body lose control

I was the boy walking tough, king of the street  
Believed in making my own destiny, yeah  
Victim of love, I made a promise that I'd never be  
Another one of love's fatalities

Rule number one, was running wild and always running  
free  
Didn't need no luck, my guardian angel looking over  
me  
You passed me by, I got the vibe, left me in disbelief  
Arrow to my heart at hurricane's velocity

You pierced my emotional armor  
Bolt of lightning couldn't hit me harder

You got my body shaking  
Sends a shiver to my soul  
I didn't get no warning  
You got me shaking to the bone

I got my secret weapon  
I'm gonna get you all alone  
Yeah, yeah  
So let your body lose control

Everybody say I aim too high, out of my league  
I gotta step into reality, yeah  
Different sides, different styles, certain tragedy  
I got you in my sights, so please believe it's harmony

You pierced my emotional armor  
Bolt of lightning couldn't hit me harder

You got my body shaking  
Sends a shiver to my soul  
I didn't get no warning  
You got me shaking to the bone

I got my secret weapon  
I'm gonna get you all alone  
Yeah, yeah  
So let your body lose control

This is simple as one, two, three  
We've been drawn together by a love-power energy  
I wanna be your lover, I wanna be your friend  
I wanna be your lifetime, not just your weekend

Check, check it out, check it out, check it, check it out  
I wanna be home boy, ain't no doubt  
I wanna be your first choice, never let you down  
Love, peace, I'm out of here, brothers

You pierced my emotional armor  
Bolt of lightning couldn't hit me harder

You got my body shaking  
Sends a shiver to my soul  
I didn't get no warning  
You got me shaking to the bone

I got my secret weapon  
I'm gonna get you all alone  
Yeah, yeah  
So let your body lose control

You got my body shaking  
Sends a shiver to my soul  
I didn't get no warning  
You got me shaking to the bone

I got my secret weapon  
I'm gonna get you all alone  
Yeah, yeah  
So let your body lose control

You got my body shaking  
Sends a shiver to my soul  
I didn't get no warning  
You got me shaking to the bone

I got my secret weapon  
I'm gonna get you all alone

Yeah, yeah  
So let your body lose control
