Look through any window, yeah
What do you see?
Smiling faces all around
Rushing through the busy town

Where do they go?
Moving on their way
Walking down the highways and the byways
Where do they go?
Moving on their way
Are people with their shy ways and their sly ways

You can see the little children all around
You can see the little ladies in their gowns

When you look through any window, yeah
Any time of day
See the drivers on the roads
Button down their heavy loads

Where do they go?
Moving on their way
A-driving down the highways and the byways
Where do they go?
Moving on their way
Are drivers with their shy ways and their sly ways

You can see the little children all around
You can see the little ladies in their gowns

When you look through any window, yeah
What do you see?
Smiling faces all around
Rushing through the busy town

Moving on their way...
Ooh...moving on their way...
Where do they go...?
Moving on their way...ooh...
