Doo, doo, doo, doo
More than a woman
Doo, doo, doo, doo

Oh, girl I've known you very well
I've seen you growing everyday
I never really looked before
But now you take my breath away

Suddenly you're in my life
Part of everything I do
You've got me working day and night
Just trying to keep a hold on you

Here in your arms I found my paradise
My only chance for happiness
And if I lose you now I think I would die

Oh, say you'll always be my baby
We can make it shine, we can take forever
Just a minute at a time

Oh, more than a woman
More than a woman to me, baby
More than a woman
More than a woman
More than a woman to me

Doo, doo, doo, doo
More than a woman
Doo, doo, doo, doo

Oh, girl, there are stories old and true
Of people so in love like you and me
And I can see myself
Let history repeat itself

Reflecting how I feel for you
Thinking about those people then
I know that in a thousand years
I'd fall in love with you again

This is the only way that we should fly
This is the only way to go
And if I lose your love now I think I would die

Oh, say you'll always be my baby
We can make it shine, we can take forever
Just a minute at a time

Oh, more than a woman
More than a woman to me, baby
More than a woman
More than a woman
More than a woman to me

Doo, doo, doo, doo
More than a woman
Doo, doo, doo, doo

Oh, more than a woman
More than a woman
More than a woman to me
Yes, you are, baby

More than a woman
More than a woman
More than a woman to me

Doo, doo, doo, doo, hooh, baby
More than a woman
Doo, doo, doo, doo
Oh yeah, yeah, yeah

More than a woman
More than a woman
More than a woman to me

More than a woman
More than a woman
More than a woman to me

Everyday of my life
More than a woman, oh, baby
More than a woman to me

More than a woman
More than a woman
More than a woman to me
