Why ya' doing this to me (me)  
I'm all down on my knees (knees)  
I'm begging you please (please)  
to be my valentine, with double the love, Double the  
love

cause your looking over there  
staring at that glare  
took my heart and gave it away  
its you and you who have my clue, double the two and  
that makes four to double the love  
double the love, teh symbol is a dove for double the  
love

I don't know who to choose  
you both like gimme' shoes  
I'm just so confused cause it's you and you  
c'mon babe give me a clue, cause I wanna know if I  
love you eewwww

C'mon C'mon tell me who it is  
what do I have to do to tell me who is the one  
C'mon C'mon I need someone, don't tell me that it's  
double the love, double the love ohhh  
Cause your looking over there staring at that glare,  
took my heart and gave it away  
It's you and you who have my clue, double the two and  
that makes four to double the love, double the love, the  
symbol is a dove for double the love

I see you, you see me, It's so awkward to be  
with you to call you babe  
people look people stare, but you don't care but I do,  
yes it's true  
cause I both love you  
It's double the love, double the love ohhhhhh c'mon  
now

You lovin' but fightin' but please no pushin' don't wanna  
make a mess  
cause it will make me depressed  
there's no need to moan or groan, if we're far apart

cause you'll always be in my heart  
but it's double the love, double the love ohhhh

Cause your looking over there staring at that glare,  
took my heart and gave it away, it's you and you who  
have my clue, double the two and that makes four to  
double the love, double the love, the symbol is a dove  
for double the love  
Double the Love
