Huh huh huh huh huh huh huh huh, huh huh huh huh
huh (repeat)

I sit in my room and nobody knows
What I do or how it goes
Sometimes its boring sometimes I get scared, of being
all lonely and nobody cares
But I wanna show people who I am, what I can do, and
how I will stand,
up for me and my own life,
nobody can tell me i'm a lowlife

cause I, I surprise, people with what I do and what I say
cause I, I surprise
people with my actions

oh oh oh oh oh oh oh oh,
oh oh oh oh oh (repeat)

They think I am boring all daytime
They dont talk to me cause they dont think i'm worth
the time
Sometimes I get lonely, sometimes i'm mad at me, of
not showing who I really can be
But I wanna be out there in the crowd
being so loud, with my voice in the surround sound
people who want to talk to me
instead of them thinking i'm not worth to be

cause I, I surprise, people with what I do and what I say
cause I, I surprise
people with my actions
oh oh oh oh oh oh oh oh,
oh oh oh oh oh (repeat)

All this gonna start when I step out my shell, into the
sunshine with the outdoor smell
people's thoughts will be confused and blank
cause they thought i had no life, it was at point blank
I'm gonna wear what i wanna wear
and say what i wanna say
cause its my life, its my life and you cant control it

cause im the boss tonight

cause I, I surprise, people with what I do and what I say
cause I, I surprise
people with my actions

oh oh oh oh oh oh oh oh,
oh oh oh oh oh (repeat)

cause I, I surprise, people with what I do and what I say
cause I, I surprise
people with my actions

oh oh oh oh oh oh oh oh,
oh oh oh oh oh (repeat twice)
