Everyday I look out the window
to see if you are here
cause I wanna call you my dear
but I cant when you disappear

when are you gonna come
to pick me up and twirl me around
when are you gonna come
so we can sing love story songs
ooh when you gonna come

you never came such a shame
it's my life, you cant control it
im not gonna wait for you
even if its a moment

but ill do what i want
say what i wana say
play the drums or say my babe
oohoh its time
to do something fun its time to

wanna sing wanna dance
wanna play the drums
wanna love wanna run wanna write a song
Its time so come on and do something fun oh oh
put your hands up
oh oh scream and shout up
oh oh love and never break up
oh oh Its time its time its time
come on oh yeah

you never came such a shame
it's my life, you cant control it
im not gonna wait for you
even if its a moment

but ill do what i want
say what i wana say
play the drums or say my babe
oohoh its time
to do something fun its time to

go out and meet with de friends
go out and party till the end
wont think about you not even a second i will just be me
living life as happy as I can be
ooh yeah its time
so put your hands up
oh oh scream and shout up
oh oh love and never break up
oh oh its time its time its time
come on oh yeah

you never came such a shame
it's my life, you cant control it
im not gonna wait for you
even if its a moment

but ill do what i want
say what i wana say
play the drums or say my babe
oohoh its time
to do something fun its time to

do something fun
