You have a red face, blue house, everybody scream
out loud, shake your hands, shake your butt,
everybody scream like a mutt (ruff ruff)
You have an old car, skinny body, don't have money,
broke like (eech) stupid school, stupid mule, wanting to
go (eech)

You know how to live life, so live it how you want to
ooh ooh ooh ooh
You know how to live life so c'mon c'mon c'mon c'mon
yeah
(repeat)

You go to bars, go to mars to see the stars, eat junk to
get a trunk, one,two,three,four
becoming a gangsta becoming a girl and boy in the
world (oh lala) first kiss and you miss, haha look at him
he stole my dog, look at him he's singing along, look at
him he;s such a hog, dang dog (ugh)

You know how to live life, so live it how you want to
ooh ooh ooh ooh
You know how to live life so c'mon c'mon c'mon c'mon
yeah
(repeat)

Black and white
dark like the night
it's alright (choo choo)
baby please, wait for me
I might pee, If you leave me (oh)
fat people eating donuts on their way to wendys
one,two,three,four
baby go go go on the way to the railroad
cya bye cya cya, cya bye cya cya
You know how to live life, so live it how you want to
ooh ooh ooh ooh
You know how to live life so c'mon c'mon c'mon c'mon
yeah
(repeat)

Teacher's stare, makes you scared
so you drop out of school

oh no not my hoe cause you'll see it on a mule
going down the way to make yourself shine, going
down the way to good old mine

Here we go (oh)
Here we go (oh)

Your thirsty so you get a coke, you feel good like your
doke doke

You say uh oh uh oh
You say uh oh uh oh
cya bye cya cya, cya bye cya cya

You know how to live life, so live it how you want to
ooh ooh ooh ooh
You know how to live life so c'mon c'mon c'mon c'mon
yeah
(repeat)
