People always talking bout dirty things
everyone starting to believe them
I'm giving you advice
so betta listen up

today's the day to make them stop
all you gotta do is
throw them away, throw them away
cause their trash trash trash
throw them away throw them away
cause their trash trash trash

you gotta smash and mash them cause their trash, oh
their trash

Everyday there are new ones
the old ones go passing by
the good news is their happy, awesome, exiting or rad
merry loving, delightful, or rad

the bad news is their hurtful, embarrassing, or sad,
hateful stupid, dull, or mad

and that's trash oh that's trash

today's the day to make them stop
all you gotta do is
throw them away, throw them away
cause their trash trash trash
throw them away throw them away
cause their trash trash trash

you gotta smash and mash them cause their trash, oh
their trash

Everyday is getting worse
I feel like im gonna burst
to fly away to outer space
i think i may be cursed
cause that trash is eating me in the face
so i gotta figure out this case

today's the day to make them stop
all you gotta do is
throw them away, throw them away
cause their trash trash trash
throw them away throw them away
cause their trash trash trash

you gotta smash and mash them cause their trash, oh
their trash
