When people look at me
All they really see, is someone who is lazy and weak
I get so sorrow for hearing that everyday, but that's not
gonna be in my way to say

I wanna be free like the wind
I wanna sing songs as long as I can
I wanna be who I wanna be
and see what I wanna see
I wanna be an A student in school
And have a band called the mules
but the most important thing is,
I wanna be me ooh ooh
I wanna be me can't you see
I wanna be me, I wanna be me

I crumble up and look inside
to figure out how to eye to eye
why do I feel like I'm playing this song wrong,
cause I'm not ordinary
I'm not your father Harry
I'm just being being being
I wanna be me
I wanna be me can't you see
I wanna be me
I wanna be free like the wind
I wanna sing songs as long as I can
I wanna be who I wanna be
and see what I wanna see
I wanna be an A student in school
And have a band called the mules
but the most important thing is,
I wanna be me ooh ooh
I wanna be me can't you see
I wanna be me, I wanna be me

So that's weird, like a beard
I'm ok dear, I just like to rhyme
Kick that ball, shop at the mall
Run in the school hall, and prank call
I just like to rhyme, I just like to do stuff
like to rhyme, do stuff yeah

I'm just being being being
oh I wanna be me
I wanna be me can't you see
I wanna be me, I wanna be me
I wanna be free like the wind
I wanna sing songs as long as I can
I wanna be who I wanna be
and see what I wanna see
I wanna be an A student in school
And have a band called the mules
but the most important thing is,
I wanna be me ooh ooh
I wanna be me can't you see
I wanna be me, I wanna be me

I wanna be me
