You have my heart
Be careful don't let it break
And tear my life away
I trust you don't let me fall
I think about you all the time
24 hours a day
You control my mind
It's like I'm hypnotized

When I'm with you I get a feeling
It makes me go insane
I get butterflies and sometimes I cry
Of happy pain

You are my life
You are my way to keep me alive
You are my love
My one and only love
You keep me survive
You are the colors of the wind
So beautiful like the sea
You are my man my guy boyfriend
You belong with me

When I see you smile
It makes me go wild
Cause your mine forever
And ever
When I hold your hand
And walk with you
You make me feel like a love breakthrough

When I'm with you I get a feeling
It makes me go insane
I get butterflies and sometimes I cry
Of happy pain

You are my life
You are my way to keep me alive
You are my love
My one and only love
You keep me survive

You are the colors of the wind
So beautiful like the sea
You are my man my guy boyfriend
You belong with me

La la la la la oh
La la la la la ooh

When I'm with you I get a feeling
It makes me go insane
I get butterflies and sometimes I cry
Of happy pain

You are my life
You are my way to keep me alive
You are my love
My one and only love
You keep me survive
You are the colors of the wind
So beautiful like the sea
You are my man my guy boyfriend
You belong with me
