Life is a comet
Melting in time
Time is a license
To commit a crime
Love is drug that
Keeps us insane
We are not different
We're not the same

He's waiting for the drink in her hand to turn into a kiss
She starts to wonder why her heart's beating like this

I cannot believe my eyes
Color ocean paradise
Dancing until the sunrise
Under the neon lights (under the neon lights)

Life is a comet
Melting in space
Time is a license to commit mistakes
Love is drug that
Keeps us insane
We are not different
We're not the same

He's waiting for the drink in her hand to turn into a kiss
She starts to wonder why her heart's beating like this

I cannot believe my eyes
Color ocean paradise
Dancing until the sunrise
Under the neon lights (under the neon lights)

I cannot believe my eyes
The color ocean paradise
Dancing until the sunrise
Under the neon lights (under the neon lights)

Hold me close and
Leave me never
Hold me tight in

Your arms tonight

Hold me close and
Leave me never
Hold me tight in
Your arms tonight (tonight)
