Can anybody hear me?  
Can anybody hear me?  
I am calling  
This mess is getting deeper  
This mess is getting deeper  
I am sinking  
I am sinking

Only you can get me outta this  
Only you can get me out of this mess that I'm in

I don't know where to begin  
I'm waiting for you  
Don't know what to do  
The lights get even bleaker  
My will gets even weaker  
I am fading  
I try my best to kill  
The emptiness until  
My heart stops beating  
But I'm not breathing
