You got me thinking like a fiend
You're an addiction
I know you're dangerous
But still there's that attraction
Wont you leave me alone you know
We both been down this road before

When we're alone
It's an obsession
I'm living without discretion
Like a child in a candy store
I'm leaving wanting more

Addiction
Stay aware from here
I can't get away from you
Don't know if I want to
Addiction
Get away from here
Can't get away from you
Don't know if I want to

You got me
In a state of agitation
IS this what you call elation?
Put me in some
Tricky situations
So I don't know
When we're alone
It's an obsession
I'm living without discretion
Like a child in a candy store
I'm leaving wanting more

Addiction
Stay aware from here
I can't get away from you
Don't know if I want to
Addiction
Get away from here
Can't get away from you

Don't know if I want to.
Addiction
You're an
Addiction.
