Once upon a time  
When things were new  
Our eyes wide  
We saw the world anew  
We sang our songs and we danced along  
Reaching for our dreams  
Now it's been so long since our view was clear  
And our dance we walk through like sleep

I'm dancing in my sleep  
Waiting for something new  
I'm dancing in my sleep  
Waiting for just for you  
I'm dancing in my sleep  
Waiting for something new  
I'm dancing in my sleep  
Waiting for just for you  
I'm just dancing  
Trying to shake this  
Mood

Oh  
Fitfully  
I toss and turn trying to break the mold  
Lovingly you reach out to me  
Pushing me to grow  
Others tell me not to change  
To stay the way I am  
But I'm itching to move  
Time to groove  
Time to shake to a different dance

I'm dancing in my sleep  
Waiting for something new  
I'm dancing in my sleep  
Waiting for just for you  
I'm dancing in my sleep  
Waiting for something new  
I'm dancing in my sleep  
Waiting for just for you  
I'm just dancing

Waiting  
Dancing  
In my sleep  
I; m dancing  
Waiting  
I'm dancing in my sleep waiting  
Trying to shake this mood  
OH?...  
Dancing in my sleep  
Trying to shake this mood  
Waiting  
Dancing  
Waiting just for you
