Let it go  
When there's nothing left to hold on  
Let it go  
Let it ride

Left all alone  
Inside my thoughts well  
Bare to the bone cold  
Life on the run from myself  
No one to blame  
Work undone

Tell me what u want from me  
Am I too close to reality  
Is there more than I can see  
Am I right  
Is it all just make believe  
Is it just what I perceive  
Won't let it get the best of me  
I'll let it ride

Let it ride yeah  
Let it ride  
Let it go  
Let it ride

Wanting to know  
Do mountains grow  
And when do streets come alive  
When these days are gone  
And Never more  
Will time reveal all lies

Tell me what u want from me  
Am I too close to reality  
Is there more than I can see  
Am I right?  
Is it all just make believe  
Is it just what I percieve  
Won't let it get the best of me  
I'll let it ride

I'll let it ride  
Let it ride  
I'll let it ride  
Let it ride Yeah  
You got to let it go now  
Let it ride

Let it go  
When there's nothing left to hold on  
Let it go  
Let it ride  
Let it ride  
Keep Hope alive  
If just inside  
Let it go  
Let it ride
