Gotta do it
Just say no
Can't be late
Gotta go
?F? the world
Is how I'm feeling today

Have a need
To believe in
The chance to be free
Not to play with
The words that I say

The only way to win
Is to try and fly alone
The only way to know
Is to pick a quiet road

What we play
What you see
We provide your every need
Mind Control

We're gonna play with your mind

Gotta gripe
With the grind
Think I'm losing my mind
Now's the time
For me me to be bold

What I seek is
Retreat
Get me back on
My feet
Be complete with
The life
That I lead

The only way to win
Is to try and fly alone

The only way to know
Is to pick a quiet road

What we play
What you see
We provide your every need
Mind Control

We're gonna play with your mind

Who's in control
Who's in control
Who's in control of Your mind.
