It's me and You
So tell me
What you're gonna do
We've been dancing to this song
For so long

But now is the time
It's the season and the rhyme
Nothing here left to say
Tired of your silly games

It's now or never
It's now or never baby
I don't wanna carry on
Tell me what I'm doing wrong

It's now or never
Now or never baby
What am I supposed to do
Without you.

Some days have past
We won't know it this will last
Acting like we're only friends
Hey I'm a man

There's no wrong or right
We're gonna settle this tonight
Hoping that you'll always stay
And
Remain
My true love

It's now or never
It's now or never baby
I don't wanna carry on
Tell me what I'm doing wrong

It's now or never
Now or never baby
What am I supposed to do

Without you.
IF you wanna know the truth about it
It's now and forever!
