Woke up this morning
On the wrong side of the bed
I didn't know
Where I was to go
But I knew
What I had to do
Was just do it
First thing
You got to leave
Pack up yourself
And leave
Second thing
You should have know
Everything you do
Comes back home

I'm tired of your ways
Tired of your lies
Tired of your jealousy
And tired of being tired
Tired of being alone
Singing that same song
And starting today
I'm gonna change my ways

What we need
What we need is some POWER
POWER
POWER

Another thing
Nothing you say to me
Is gonna change the way I see
One more thing be sure to close the door
Cause truthfully
I don't love you anymore

I'm tired of your ways
Tired of your lies
Tired of your jealousy
And tired of being tired

Tired of being alone
Singing that same song
And starting today
I'm gonna change my ways

What we need
What we need is some POWER
POWER
POWER

Power in the heart
Power in the mind
Power of everything
I need a little bit of Power
Get a little bit of Power

It's what we want.
