I?m gonna keep it simple  
So y?all can understand  
The times they are a changing  
Turning back to bad  
Well I aint the one to lead you  
Cause I?m not  
That type of girl  
And I?m not trying to please ya

Well if I could I wouldn?t couldn?t  
Shouldn?t it's just a warning  
You got to pray  
Got to pray  
Oh Lord  
You gotta pray baby  
You got to pray  
Got to pray  
Get on your knees  
If you please  
Pray

No I?m sick of your crying and whining  
That stuff don?t do u no good  
You know you got to seize the moment  
And ask for what you  
Need oh now  
But I aint the one to lead ya  
Cause I'm not that type of girl  
And I?m not trying to please ya

Well if I could I wouldn?t couldn?t  
Shouldn?t it's just a warning  
You got to pray  
Got to pray  
Oh Lord  
You gotta pray baby  
You got to pray  
Got to pray  
Get on your knees  
If you please  
Pray
