Ohh Ahh OOH  
So many nights I've cried  
And you have given me all that I need and?  
Cause you?.

So many nights I've cried  
Cause I couldn't see  
Your eyes  
And no matter how hard I tried  
I couldn't break from my ties  
But now that I am free -well  
I'll go where my heart  
Heart takes me  
You're all that I wanna see  
And now I'm gonna  
Run to you

Running Running Run  
Run to You  
Cause I love of you and I need you  
So I'm gonna run gonna run  
Gonna run to you

So many nights  
I stayed  
Always counting the days  
And I'll never stray  
Cause I  
Wouldn't love you that way  
But now that I am  
But now that I am free -well  
I'll go where my heart  
Heart takes me  
You're all that I wanna see  
And now I'm gonna  
Run to you

Running Running Run  
Run to You  
Cause I love of you and I need you  
So I'm gonna run gonna run

Gonna run to you

Don't you know I need your loving loving  
Cause I need your love

So many nights  
I have cried cause I couldn't see  
Your eyes  
And no matter how hard I tried  
I couldn't break my ties  
But now all I want from you is your sweet  
Sweet sweet loving  
And my hearts for ever true  
Here I come running to you  
Run to you.
