I?ve been hiding
Inside myself
Always wondering what
You thought of me
Somehow thinking
That if you could
See inside
You?d know too much
About me

I?ve been wondering
If you?re worrying
About the same things
As me
I decided
Having tried it
With all simplicity
Say

Get up get up get up
Keep on getting
Getting up
You got to find your light
It?s the way choose
Today it?s the only way
To the path that will ease your mind
And Shine

I?ve been trying to find myself
Looking for the best that I can be
Wont deny that
It's sometimes hard
But wont let it get the best of me

I?ve been wondering
If you?re worrying
About the same things
As me
I decided
Having tried it
With all simplicity

Say

Get up get up get up

Keep on getting

Getting up

You got to find your light

It's the way choose

Today it's the only way to ease your mind

And Shine
