There are many spirits in this land
It is the land of good and plenty
And plenty of bad, bad, yeah
Cause it's the land of good and plenty

Lil lil girl
Why you crying so hard
About your life today
You aint got it so bad
When you take a look at what we had yesterday

Now I know it's tough
But it's not so rough
So pull yourself up
Cause we must

Keep Pushing on
Keep being strong
Cause together I want
Our lives to be long

So let me ask you a question
About how you are living today

If you're ashamed
Of who you walk with
There's a new path that you can stray to

Ah many spirits

Do you know where you come from
Do you know where you are going
Who is guiding you
Resides near you
Relying on you dying for you

The land of good and plenty
