What does it mean?
When I sit at night and
Wonder who I am
What does it mean?
When I sing
And do it all
Over again
Can I fly high
Be what I am always meant to be
As strange as it seems
Could you tell me
What does it mean?

I know I know I know
What does it mean?

Mysteries
Revealed
To me

What does it mean?
Late at night
When the beat
No longer goes on

What does it mean?
When the pen
Has almost run outta ink
Can I fly high
Oh so high
And go where I wann be
If you see
What I see
Could you tell me?
Oh What does it mean?

I know I know I know
What does it mean?

Tell me why?
Explain the mysteries

To me?

What does it mean?
