What kind of fool am I  
Did you think  
That I wouldn't see  
How you treated me so unkind  
This is not the way it was to be  
When you said you loved me  
Forever  
The way you told me  
When you said we'd be together

What kind of fool am I  
To keep believing  
All your stories and your  
Lies  
Now I know why love is blind  
Oh sometimes  
Sometimes I say I'll leave you all alone  
But by the time I look in your eyes  
That feeling is all but gone

What kind of fool  
What kind of fool am I  
Oh to know you treat me so bad  
But I can't go  
I gotta stay  
I don't know but I want you  
My friends tell me  
I don't know who you are  
Baby  
Better off without you  
You're the cloud over my star yeah  
Maybe in my heart  
I know these things  
Are true  
But baby I don't want to  
Fly without you

Oh, no no no  
What kind of fool  
What kind of fool am I  
Tell me what kind of fool am I baby

What kind of fool am I  
Oh-the lord knows  
That I try  
To work it out without you  
So I guess I?m a fool  
I?m a fool for you  
Guess I played the fool for you  
Guess I played the fool for ya.  
I played the fool for love  
Tell me what kind of fool am I.
