The distance revered  
Like a spike on a ball  
Like a -speck- on a ball  
A circular imprint  
Stepped from the light  
And whispered a slogan  
Invented by anyone  
So they all went along  
And they yelled to the heavens  
Where some place is good  
Where you can find the right toothpaste  
Without hardly lookin'  
And it makes it soooooo easy  
Just like getting to Venus

The resistance was weak  
Ideology was whimpered  
But they stuck it out!  
With a brand new idea  
Gimme some smoke  
Gimme some dinner  
Gimme some smoke  
Gimme some dinner  
I'll get around to it  
I'll get around to it one of these days  
Probably when we realize that uh...  
We're all morticians

So what's on TV?  
So what's on TV?  
So what's on TV?

Okay! I'll nag in there! I'll hang out there! Okay I'll try!  
I'll try to see it the way you see it  
I'll try to see it the way you see  
I'll try to find ecstasy

So what's on TV?  
So what's on TV?  
So what's on TV?

(TV voice) "Hey, what's on TV?"

Hey -- who's the leader here?  
Who's in control?  
What's gonna change?  
Except the characters  
And the color  
And the people

They don't care  
They can't live without killin'

People are strange  
We're all morticians

Hey, what's on TV?  
What's on TV?  
What's on TV?

People were... Well, we're all moriticians

(TV voice) "I can't afford surprises! I have to find  
someone to help me keep this place under control!"
