Well I've been wondering why
It seems that you and I
Just don't see
Eye to eye
Anymore

I have known for awhile
That with me
You rarely smile
So tell me right now
Who we are

And-
Where is the love?
Where is the love?
Where is the goodtime feeling that
I can't get enough

(Repeat)

Well a lot's been happening
And I don't know how to begin
But it's clear that this
Just can't go on

I can't get no sleep
With this on my mind
Just a little peace
I seek to find
So tell me right now
Where we are.

And-
Where is the love?
Where is the love?
Where is the goodtime feeling that
I can't get enough

(Repeat)

Come the sunrise

It's gonna be alright
And I won't be denied
My time in the light
