I felt my heart rate jump  
I felt adrenaline pump  
The split second that I saw you walk in

A little voice inside  
Said, "Better hold on tight  
Get ready, set, go, you're gonna fall again"

How fast is a speeding bullet?  
How fast can Superman fly?  
How long does a shooting star  
Race across the sky?

How fast can a dream come true?  
All I know is one look at you  
And I fell in the blink of an eye

I felt my temperature burn  
I felt the whole world turn  
Like gravity was pulling your heart to mine

When you looked at me like that  
Quicker than a finger snap  
I saw you and me forever in record time

How fast is a speeding bullet?  
How fast can Superman fly?  
How long does a shooting star  
Race across the sky?

How fast can a dream come true?  
All I know is one look at you  
And I fell in the blink of an eye

How fast is a ricochetin' bullet?  
How fast can Superman fly?  
How fast can a dream come true?  
All I know is one look at you  
And I fell in the blink of an eye, take it, boys

How fast can a dream come true?  
In the blink of an eye

How fast can I fall for you?  
In the blink of an eye

How fast can a dream come true?  
[Incomprehensible]  
How fast can I fall for you?  
In the blink of an eye

How fast can a dream come true?  
[Incomprehensible]  
How fast can I fall for you?  
In the blink of an eye

How fast can a dream come true?  
How fast can I fall for you?
