(Rick Bowles/Doug Johnson)  
(Track 4 - Time 3:12)

I saw your mama and she said don't call you  
Talked to your best friend and she said no need to  
But I had to tell you I hate how I hurt you  
Now I know how bad I hurt me too

If I've gotta get down on my knees tonight I'll do it  
If you want to see me cry then baby, let's get to it  
If I've gotta beg and plead  
To make you see I need you in my life  
Well, love is stronger than pride

I've got no right to ask you to forgive me  
But I've got no choice 'cause it's about to kill me  
I've been headstrong and I was dead wrong  
And one minute more without you's just too long

If I've gotta get down on my knees tonight I'll do it  
If you want to see me cry then baby, let's get to it  
If I've gotta beg and plead  
To make you see I need you in my life  
Well love is stronger than pride

If I've gotta beg and plead  
To make you see I need you in my life  
Well love is stronger than pride  
If I've gotta beg and plead  
To make you see I need you in my life  
(Well love is stronger) My love is stronger  
Love is stronger than pride
