It's hour number thirty nine
Just one more left to go
Been working like a dog all week
Just to hear that whistle blow

Well, I know sometimes you like those
Quiet nights just you and me
Well, tonight we're goin' someplace loud
And the floor's thump, thump thumpin' underneath our
feet

It's about time we got rowdy
Forget about workin' and just get crazy
Burn that line till our boots are smokin'
Well, the sun's going down
Baby, let's hit this town
Let's get rowdy tonight

Gonna turn this old joint upside down
Gonna beat it like a drum
Gonna kick our heels up so high
Make the rafters rattle and hum

Baby, let's take this paycheck
Burn it at both ends
We'll dance through the ashes
And then do it all over again

It's about time we got rowdy
Forget about workin' and just get crazy
Burn that line till our boots are smokin'
Well, the sun's going down
Baby, let's hit this town
Let's get rowdy tonight, yeah

Oh, the sun's going down
Baby, let's hit this town
Let's get rowdy tonight

It's about time we got rowdy
Forget about workin' and just get crazy
Burn that line till our boots are smokin'

Well, the sun's going down
Baby, let's hit this town
Let's get rowdy tonight, yeah
