Hey baby what you doing over there
Don't you now you come over here and play with me for
a while
Hey babe what's up with your despair
Look me in the eyes there so much that we could share

She says you don't belong
And I say baby
There's something that you need to know

I am a volcano oh-oh-oh-oh
And I'm burning with power inside
'Cause I am made of fire oh-oh-oh-oh
And I'll never let you down
'Cause I am a volcano

Hey baby don't you know I'm in a band
And everyone who's in a band is really cool and I'll be
cool for you
If you want me to
Hey baby leave your boyfriend over there
He doesn't need to know what's going on
Between me
Between you
Between me
Between you

She says you don't belong
And I say baby
There's something that you need to know

I am a volcano oh-oh-oh-oh
And I'm burning with power inside
'Cause I am made of fire oh-oh-oh-oh
And I'll never let you down
'Cause I am a volcano

I am a volcano oh-oh-oh-oh
And I'm burning with power inside
'Cause I am made of fire oh-oh-oh-oh
And I'll never let you down

'Cause I am a
