Another magical day
The sun reflects on your face
Your eyes they sparkle like the clear blue sky.
The breeze is calling our name
You wrap your arms around my waist
I rest my head on your shoulder, you hold me till the
world stops spinning
Whisper close, and as the sunset fades
This feeling that takes over me is like a sudden rush of
Ecstasy

Like a summer night in Seattle
When you kiss me under the moonlight.
Let the raindrops fall all around us,
As I sail on the wake of your love.
In your arms I'm closest to heaven
When we're dancin' under the moonlight
And the stars keep glowing like candles
Like a summer night in Seattle.

And when the winter's begun
Our hearts stay warm as the sun
Just like the evergreens, our love doesn't fade,
It lasts forever.
Close my eyes, and as the snowflakes fall
The memories all rush back to me like a never-ending
fantasy.

Like a summer night in Seattle
When you kiss me under the moonlight.
Let the raindrops fall all around us,
As I sail on the wake of your love.
In your arms I'm closest to heaven
When we're dancin' under the moonlight
And the stars keep glowing like candles
Like a summer night in Seattle.

This feeling that takes over me is like a sudden rush of
Ecstasy

Like a summer night in Seattle

When you kiss me under the moonlight.
Let the raindrops fall all around us,
As I sail on the wake of your love.
In your arms I'm closest to heaven
When we're dancin' under the moonlight
And the stars keep glowing like candles
Like a summer night in Seattle.

Like a summer night in Seattle
When you kiss me under the moonlight.
Let the raindrops fall all around us,
Like a summer night in Seattle
