So Alive
Love And Rockets

I don't know what color your eyes are, baby,
But your hair is long and brown.
Your legs are strong, and you're so, so long.
And you don't come from this town.

My head is full of magic, baby,
And I can't share this with you.
The feel I'm on a cross again, lately,
But there's nothing to do with you.

I'm alive, so alive.
I'm alive, so alive.

Your strut makes me crazy,
makes me see you more clearly.
Oh, baby, now I can see you.
Wish I could stop,
Switch off the clock,
Make it all happen for you.

I'm alive, so alive.
I'm alive, so alive.

I don't know what color your eyes are, baby,
But your hair is long and brown.
Your legs are strong, and you're so, so long.
And you don't come from this town.

My head is full of magic, baby,
And I can't share this with you.
The feel I'm on top again, baby,
That's got everything to do with you.

I'm alive, so alive.
I'm alive, so alive.
