no it cant be easy
wanting someone so bad
feenin' for their body
that somebody ohh
can't be easy
missin' how they kiss you
look at how bad you got me
ohh how you got me
ohh

and now im lookin for the one who stole my heart
cause we gotta be together
this aint easy, this aint easy
yeah, and now its hurtin me so bad that we're apart
you gotta make it better
this aint easy noo far from easy
no it cant be easy

every single station
plays a song that
reminds me of you
im thinkin of you
every day and all night
it cant be easy
i still smell your fragrance
and im losing all my patience
yeah its like your love is still in the air ohh

and now im looking for the one who stole my heart
cause
we gotta be together
this aint easy, this aint easy
yeah, and now its hurtin me so bad that we're apart
you gotta make it better
this aint easy noo far from easy

i cant believe i fell so hard
im so off guard
beggin on ___? to put her in my arm
this aint easy
got me ridin this train

for this pretty young thang
im goin out my brain no i aint been the same ohh this
aint easy ohh

and now im lookin for the one who stole my heart
cause we gotta be together
this aint easy, this aint easy
yeah, and now its hurtin me so bad that we're apart
you gotta make it better
this aint easy noo far from easy
