Emotionless as tears roll down my face
No one hears my plea
No ones here by me
Praying every night for amazing grace
To come rescue me
Lord set me free

Love don't treat me so cold
Don't rip out my soul
Don't shatter the only thing that matters to me
Please
Cause I deserve much better
So I'm writing this letter to love

I hoping rain can wait for a later date
Cause that's not what I need
Lord knows I can't breathe
Can you hear me crying love?
Wishing I can wake up and see your face
Cause my heart still believes
It believes
One day you'll come running to me

Love don't treat me so cold
Don't rip out my soul
Don't shatter the only thing that matters to me
Baby please
Cause I deserve much better s
So I'm writing this letter to love (x2)

Sometimes it hurts me to face it face the troubles alone
I can't take it on my own lets take it back to the basics
When love was here in my heart

Love don't treat me so cold
Don't rip out my soul
Don't shatter the only thing that matters to me
Begging please,
Baby please
Cause I deserve much better
So I'm writing this letter to love (x2)
