Walking with my head down
Counting every step
Hoping that the next one
Brings me, closer to the man I was
Cause I was way better
Maybe it's because
We were together

[Chorus]
I said I'm looking for myself
And I still can't find me
That's right I'm looking for myself
Who am I? someone remind me
I'm looking for myself
On my life I'm searching
I said I'm looking for myself
And somehow I ran right into

You, looking for myself
You, I, I, I, I, I,
You, looking for myself
And ran right into you

Skatin on a tight rope, trying not to fall
If I don't keep my balance
I know, I will lose it all
I should have known better
And it's all my fault
That we're not together

[Chorus]
I said I'm looking for myself
And I still can't find me
That's right I'm looking for myself
Who am I? someone remind me
I'm looking for myself
On my life I'm searching
I said I'm looking for myself
And somehow I ran right into

I was on a journey, tryin' figure out who I really was

Then I realized that, when you're not here
Half of me is gone
So in order for me to find me
I had to find you
And I got a feeling that
You don't know who you are
Unless you find me
It's like you look in the mirror
And see a person that you truly love

[Chorus]

I said I'm looking for myself
And I still can't find me
That's right I'm looking for myself
Who am I? someone remind me
I'm looking for myself
On my life I'm searching
I said I'm looking for myself
And somehow I ran right into
