Iâ€™m here  
Youâ€™re there  
The painâ€™s hard to bare  
Daydreams  
Blank stares  
Canâ€™t rhyme from my nightmares  
Still tryna to pick up the pieces  
And put together the parts that keep me alive

I draw smiley faces on the dirt on the road, picture you  
laughing but Iâ€™m still so alone  
Wrap myself in memories when Iâ€™m cold  
But youâ€™re not here and I swear  
Love just ainâ€™t fair

Darkness  
No light  
Canâ€™t see  
Wrong from right  
No-one to guide me  
To hold me  
This cant be life  
Still tryna pick up the pieces  
And put together the parts that keep me alive

Draw smiley faces on the dirt on the road, picture you  
laughing but Iâ€™m still so alone

Wrap myself in memories when Iâ€™m cold  
But youâ€™re not here I swear  
Love just ainâ€™t fair  
(just ainâ€™t fair)  
Love just ainâ€™t fair  
Just ainâ€™t fair  
But youâ€™re not here and I swear  
Love just ainâ€™t fair

So many nights how Iâ€™ve gone through dreams that I  
wish could just come true.  
And these stairs they keep on falling, maybe in the  
morning I wake up, next to you

I draw smiley faces on the dirt on the road, picture you  
laughing but Iâ€™m still so alone  
Wrap myself in memories when Iâ€™m cold  
But youâ€™re not here and I swear  
Love just ainâ€™t fair  
Love just ainâ€™t fair  
Love just ainâ€™t fair
