hello sunshine!
you are always brighting up my life oh!
and that's why i open up my eyes!
maybe one day, we'll be together you and i, oh!
and maybe i will join you in the sky.

chorus:
up in the skyâ€!
and the pain washes away,
oh! since my sunshine eiiai,
everything is changeless
gluing so â€!

goodbye, bed time
i've got no reason to cry!
you wanna know why?
cause i'm also satisfied.
and maybe one day you'll find someone
who'll love your fame, oh, oh
in time, join me in my sky, oh!

chorus:
up in the skyâ€!
and the pain washes away,
oh! since my sunshine eiiai,
everything is changeless
gluing so â€!

hello sunshine!
hello sunshine!
hello sunshine!
love, glow, we're so,
i'mâ€!
turn the lights on!

chorus:
up in the skyâ€!
and the pain washes away,
oh! since my sunshine eiiai,
everything is changeless
growing so â€!
