What are we fighting for,  
Why do we even bother  
We don't see eye to eye no more  
This house is tearing apart

I know love ain't fair  
I know it ain't perfect  
But I can't be here  
Cause you're love ain't worth it  
A part of me's scared  
A part of me's searching

This is how it sounds when my heart crys  
oohh oohh oohh, oohh oohh oohh  
And you won't even come to my rescue  
oohh oohh oohh, oohh oohh oohh ( I'm crying for you  
baby)  
This is the soundtrack to my broken heart

What are you screaming for  
What does it even matter  
When you walking out that door  
My heart is breaking in half  
I know love ain't fair (ain't fair)  
I know it ain't perfect (ohhh)  
But I can't be here  
Cause you're love ain't worth it  
A part of me scared  
A part of me searching  
This is how it sounds when my heart cry's  
oohh oohh oohh, oohh oohh oohh  
And you won't even come to my rescue  
oohh oohh oohh, oohh oohh oohh ( I'm crying for you  
baby)  
This is the soundtrack to my broken heart

You see me drowning but you won't save.. my.. life  
Im dying baby, my best is never enough  
To keep you happy

So listen to the sound of my broken heart  
oohh oohh oohh, oohh oohh oohh

And you won't even come to my rescue  
oohh oohh oohh, oohh oohh oohh ( I'm crying for you  
baby)  
This is the soundtrack to my broken heart
