There comes a time  
When you face the toughest of fights  
Searching for a sign  
Lost in the darkest of nights  
The wind blows so cold  
Standing alone  
Before the battle's begun  
But deep in your soul  
The future unfolds  
As bright as the rays of the sun

### CHORUS

You've got to believe  
In the power of love  
You've got to believe  
In the power of love  
The power of love

Blazing emotion  
There's a light that flows from your heart  
It's a chain reaction  
And nothing will keep us apart  
Stand by my side  
There's nothing to hide  
Together we'll fight to the end  
Take hold of my hand  
And you'll understand

What it truly means to be friends

You've got to believe (you've got to believe)  
In the power of love  
You've got to believe (you've got to believe)  
In the power of love

It gives meaning to each moment  
It's what our hearts are all made of  
You've got to believe, in the power of love  
In the power of love  
In the power of love

You've got to believe (you've got to believe)  
In the power of love  
You've got to believe (you've got to believe)  
In the power of love

It gives meaning to each moment  
It's what our hearts are all made of  
You've got to believe, in the power of love  
In the power of love  
In the power of love  
In the power of love
