I run to hide from myself
But I can't stray from the path
I hide, in my dreams I'm free
To cleanse my guiltâ€¦ bleeding

I search deep in my mind
To find the answersâ€¦ to satisfy
I need my fuel injection
To get the needles deeper within

My wounds are turning inside-out
I need to get out of this body

I fight a battle within me
To lose is to die and to win is to lose
I lie to myself and to others
A perfect lifeâ€¦ -Yeah, a perfect lie

I smile but inside I'm drowning
I hold my breath as I slip away
I burn, my veins are on fire
A burning pleasure a deadly lust

My wounds are turning inside-out
I need to get out of this body

There's a shadow following me
I feel the walls cave in behind me
I am shadow of my former self
I've trapped myself in this shell of guilt

I search deep in my mind
To find the answersâ€¦ to satisfy
I need my fuel injection
To get the needles deeper within

[Solo]

The room keeps spinning fasterâ€¦ faster
No more waiting, no more hiding
This time my dreams will last forever

My wounds are turning inside-out
I need to get out of this body

There's a shadow following me
I feel the walls cave in behind me
I am shadow of my former self
I've trapped myself in this shell of guilt
