Wouldn't it be sweet  
If you could be in love with me  
The way that I'm in love with you  
It's so easy to do

All you've got to do is fall in love  
All you've got to do is fall in love  
All you've got to do is fall in love with me (x2)

And everyday you don't, it's wasted  
And every night alone, it's your fault  
The sweetest lips I've ever tasted  
The only lips I'll ever want

All you've got to do is fall in love  
All you've got to do is fall in love  
All you've got to do is fall in love with me (x2)
