Chorus: [Mr. Marcelo]

It's me and you, one on one, against the world  
Every man needs a woman, every boy needs a girl  
In my world I'm just a squirrel trying to get a nutt  
Thought it was love seems like it turned to lust  
Tell me what's up, baby am I wasting my time?  
I would love to get with you, and have a family of mine  
It's me and you, one on one, against the world  
Every man needs a woman, every boy needs a girl  
In my world I'm just a squirrel, trying to get a nutt  
Thought it was love seems like it turned to lust  
Tell me what's up, baby am I wasting my time?  
I would love to get with you, and have a family of mine

[Mr. Marcelo]

Me and my girl, better yet me and my shawty  
Early morn', smoke a blunt, drink a half of forty  
What's the half baby?, you know you got to be down  
And show me love, cause don't nobody want no scrub  
What's up?, you know the half baby, cause it's you  
And ain't no better picture than this 80 and you  
I know the money ain't right, but soon it will be  
I'ma make a better life for you if it kills me  
In a mintue, it's gonna be gravy, you ain't gonna want  
for shit  
Not cause you stuck with a nigga, because you deserve  
the shit  
Young black queen, you need one on your team  
When it rains and it storms, you'll be sleeping in arms  
Deep in a poem, lies around, that shows your trust  
it shows those times that y'all fussed, it didn't mean  
that much  
For such a little thang, it's all blown up in flames  
Now you think I'm 'bout to pack and leave my lil' mane?  
Hell no, it ain't that easy, when done been through to  
much  
It's some shit, down the toilet, kinda hard to flush  
Hush, close your mouth, cause I'm through with that  
fussin'  
Hit the lights, bump the Lauryn Hill, let's start this lovin'

Chorus: [Mr. Marcelo]

It's me and you, one on one, against the world  
Every man needs a woman, every boy needs a girl  
In my world I'm just a squirrel trying to get a nutt  
Thought it was love seems like it turned to lust  
Tell me what's up, baby am I wasting my time?  
I would love to get with you, and have a family of mine  
It's me and you, one on one, against the world  
Every man needs a woman, every boy needs a girl  
In my world I'm just a squirrel, trying to get a nutt  
Thought it was love seems like it turned to lust  
Tell me what's up, baby am I wasting my time?  
I would love to get with you, and have a family of mine

[Mr. Marcelo]

Diamond rangs and big chains, you can have those  
thangs  
Jags, Coups, Camry hoops, you can have those thangs  
That's nothing to a player when he's made it to his label  
We make love all night long with big faces on the table  
Remember that house you talked about?, two hundred  
arces of land  
Fuck cars, we ride stars, or doonebuggies in the sand  
Sippin' moët, a night that you'll never forget  
Pour champagne down your chest and you're drippin'  
wet  
You think it's a game?, nah baby this everlasting  
At night, on your wrist, they feel platinum plasterd  
Private jets, 50 jets, from Cali to Texas  
In the morning, when you're awake, it's just some kind  
ghetto breakfast  
Me and you baby, motherfuck the haters  
Cause it's made when we step we rock the two-tone  
gators  
Served proper by the waiters, all food be catered  
You ain't gotta see the kitchen, you just lay there and  
say it  
If you want something, you ain't gotta ask for nothing  
It's the new millenuim baby, push the button  
You wanna take a vaction, how far you wanna go?  
Africa?, Jamica?, France?, or Puerto Rico?

Chorus: [Mr. Marcelo]

It's me and you, one on one, against the world  
Every man needs a woman, every boy needs a girl  
In my world I'm just a squirrel trying to get a nutt  
Thought it was love seems like it turned to lust  
Tell me what's up, baby am I wasting my time?

I would love to get with you, and have a family of mine  
It's me and you, one on one, against the world  
Every man needs a woman, every boy needs a girl  
In my world I'm just a squirrel, trying to get a nutt  
Thought it was love seems like it turned to lust  
Tell me what's up, baby am I wasting my time?  
I would love to get with you, and have a family of mine  
It's me and you....
