I can't take another day
Seems like everything is slowly fading far away
And I don't know what to think
But at least I know it's got me thinking

'Cause all I know is I'm not feeling right
And now I need another reason to try

I wanna run away, nowhere I can run to
And now I don't understand
'Cause I'm not having fun and now it seems like
Everything we had once has gone wrong

I'm the king of dumb mistakes
I've made my bed but I won't lie in it
How much more can one guy take?
This pressure has got me going out of my mind

'Cause all I know is I'm not feeling right
And now I need another reason to try

I wanna run away, nowhere I can run to
And now I don't understand
'Cause I'm not having fun and now it seems like
Everything we had once has gone wrong

I wanna run away, nowhere I can run to
And now I don't understand
'Cause I'm not having fun and now it seems like
Everything we had once has gone wrong

I wanna run away, nowhere I can run to
And now I don't understand
'Cause I'm not having fun and now it seems like
Everything we had once has gone wrong
