Used to be a time where everything I did was right and  
nothing could go wrong.  
Nothing could go wrong.  
I don't want to talk about it.  
I don't want to think about it.  
Seems like all the walls are falling down around my  
feet and...

Here I am just picking up the pieces.  
All alone just picking up the pieces.  
Here I am just picking up the pieces.  
I don't want to.  
I don't want to.

Everything you've got doesn't really mean a lot when  
everything goes wrong.  
Everything goes wrong.  
I don't want to think about it.

Seems like all the walls are falling down around my  
feet and...

Here I am just picking up the pieces.  
All alone just picking up the pieces.  
Here I am just picking up the pieces.  
I don't want to.  
I don't want to.

Here I am just picking up the...  
Here I am just picking up the...  
Where did I go wrong?  
Where did I go wrong?

Here I am just picking up the pieces.  
All alone just picking up the pieces.  
Here I am just picking up the pieces.  
I don't want to.  
I don't want to.
