Hello my friend it's good to see you once again.  
Alright let's make believe that everything's okay I  
guess.

Could melt to everything I didn't do,  
So what, your conscience on vacation too?  
No three day weekend's gonna relax you,  
But one day when I get my sweet revenge.

It's the last time I believe that you're my friend.  
Well I won't ever believe your lies again.  
If I could somehow make you cry,  
I'd do it 50 million times.  
Even then you wouldn't understand.

I could not let your cooperation let me hate my life.  
Pack me up and coroner helped me ask this one too  
many times.  
Make it so that I don't wanna sing,  
Like a vage you'll chain everything,  
And I don't even wanna hear your name,  
'cause things'll never be the same again.

It's the last time I believe that you're my friend,  
Well I won't ever believe your lies again.  
If I could somehow make you cry,  
I'd do it 50 million times.  
Even then you wouldn't understand.

Now you've gone and pushed me to the edge,  
Freeze, then it's not home again,  
Having surely one day you'll regret  
'cause you can bet that I won't soon forget.  
And you can try to say you loved us through,  
But you'll be sorry when I'm done with you,  
'cause you're the one who caused the death of me.  
I'm the jaded shell of the nice guy I used to be.
